Parent Volunteer Policy
2019-20 Season

History: In past seasons, we worked to have parents sign up to volunteer early in the season and filled in volunteer slots as the seasons went along. Over time, fewer and fewer people have volunteered placing an undue burden on the generosity of those who do volunteer.

Parent Volunteer Policy: In order to implement a full season of more than 30 rehearsals, three concerts and two fundraisers, parent volunteer support is needed. The season sign-up period will occur from August 26 through September 16. This will allow us to launch the season and support our children and conductors fully.

All parents must:

1. Attend the mandatory fall parent meeting and the mandatory spring parent meeting; send a substitute adult if you cannot attend.
2. Chaperone a fall rehearsal (YYSO families also must bring snacks for their rehearsal); arrange for another parent to substitute if you cannot participate and inform the Governing Committee ahead of time of the same (some Governing Committee assistance with scheduling is possible if we have sufficient notice).
3. Chaperone a spring rehearsal (YYSO families also must bring snacks for their rehearsal); arrange for another parent to substitute if you cannot participate and inform the Governing Committee ahead of time of the same (some Governing Committee assistance with scheduling is possible if we have sufficient notice).
4. Actively help with 2 of 3 concerts: Winter Concert (22 parents) and/or Spring Concert (22 parents) and/or KinderKonzert (22 parents). You will not miss seeing your student perform.
5. Actively help with the fall fundraiser (6 parents) and/or the spring fundraiser (30 parents).
6. Support their student in selling Butter Braids for the fall fundraiser or in soliciting donations for the same.
7. Donate or procure at least 1 silent auction item for the spring fundraiser.
