

- 2024-2025 CALL TO ARTISTS -

Dear Artist,

The Yakima Symphony Orchestra is preparing for the 2024-2025 season. This will be a thrilling season!

We invite you to submit a piece to be considered for use on the cover of the YSO 2024-2025 season brochure and/or program book and/or poster. Showcasing art by central Washington artists since 1981, YSO brochures, program books and posters are treasured for their beauty and collected by patrons. The piece could be one you have already created or you could create a new work.

Art Guidelines:

- Theme/concept: "Music" should be visibly evident in the piece. The 2024-2025 season will include the idea of music being a consistent presence in and enhancement of our lives - as a soundtrack colors and adds meaning to a film - weaving itself in and around the passage of time: celebrating, comforting, reassuring, inspiring.
- Display/layout: YSO brochures, program books and posters are "portrait" in orientation. "Landscape" images are not easily utilized in this context.

Submissions Details:

- To submit your work, send us an email with the attached form and an image of your piece. The image may be no larger than 3 MB and should be saved as a JPEG file at 72 PPI resolution.
- Submission Deadline: **Friday, February 23 at 5:00pm**
- Send submissions to: Betsy McCann via development@ysomusic.org
- If your piece is selected, we will work with you to obtain an image of size and resolution needed for our next steps. You will need to be available during the time period of February 27 – March 11 for follow-up.
- We will ask you to create an artist's bio (for our website, brochure, program book and related applications) and to submit a personal photo for these same purposes. The art image may be used on the season brochure, program book, website, season poster, notecards, magnets and related promotional materials.
- Compensation: We are able to provide an honorarium of \$500 to cover material costs.

We look forward to hearing from you and seeing your work!

Sincerely,

Betsy McCann
